You will need: scissors and a glue stick (or tape)

1. Cut along solid lines. Fold along dotted lines. Be sure to cut the 'X' (this is where the turkey 'foot' will go.)
2. Glue or tape panels labeled 'glue' and match attaching panels.
3. Secure boot and fit on to turkey feet.
4. Take a photo of your Texan Turkey and share it on social media! Tag with #MyTexanTurkey and be entered to win a Farmhouse Prize Pack!
